

# Ezifish Charters COVID-19 Policy

## VACCINATIONS

All passengers 12 years+ must be fully vaccinated. You will be asked to show proof of your vaccination via your 'My Vaccine Pass'. Additional proof of photo ID may be requested in addition to proof of your vaccination.

## CONTACT TRACING

All passengers will be required to check in using the COVID-19 tracer app. Please scan the QR code to check-in upon embarking our vessel.

## OUR PART

All Ezifish Charter staff are fully vaccinated against COVID-19 and will encourage regular hand washing during each charter. As all charters are outdoors, facemasks are recommended but not required when safely distanced from other passengers.

## REMEMBER...

If you are unwell, stay home.

Ngā mihi,  
Team Ezifish
